We work in public.

Film, books, serial television, streaming television, albums, music, and other media objects examined in the following pages are tagged with metadata in this data repository:

<https://github.com/mmrl-me/mmrl-metadata>

Individual media object files:

<https://github.com/mmrl-me/mmrl-metadata/tree/main/json>

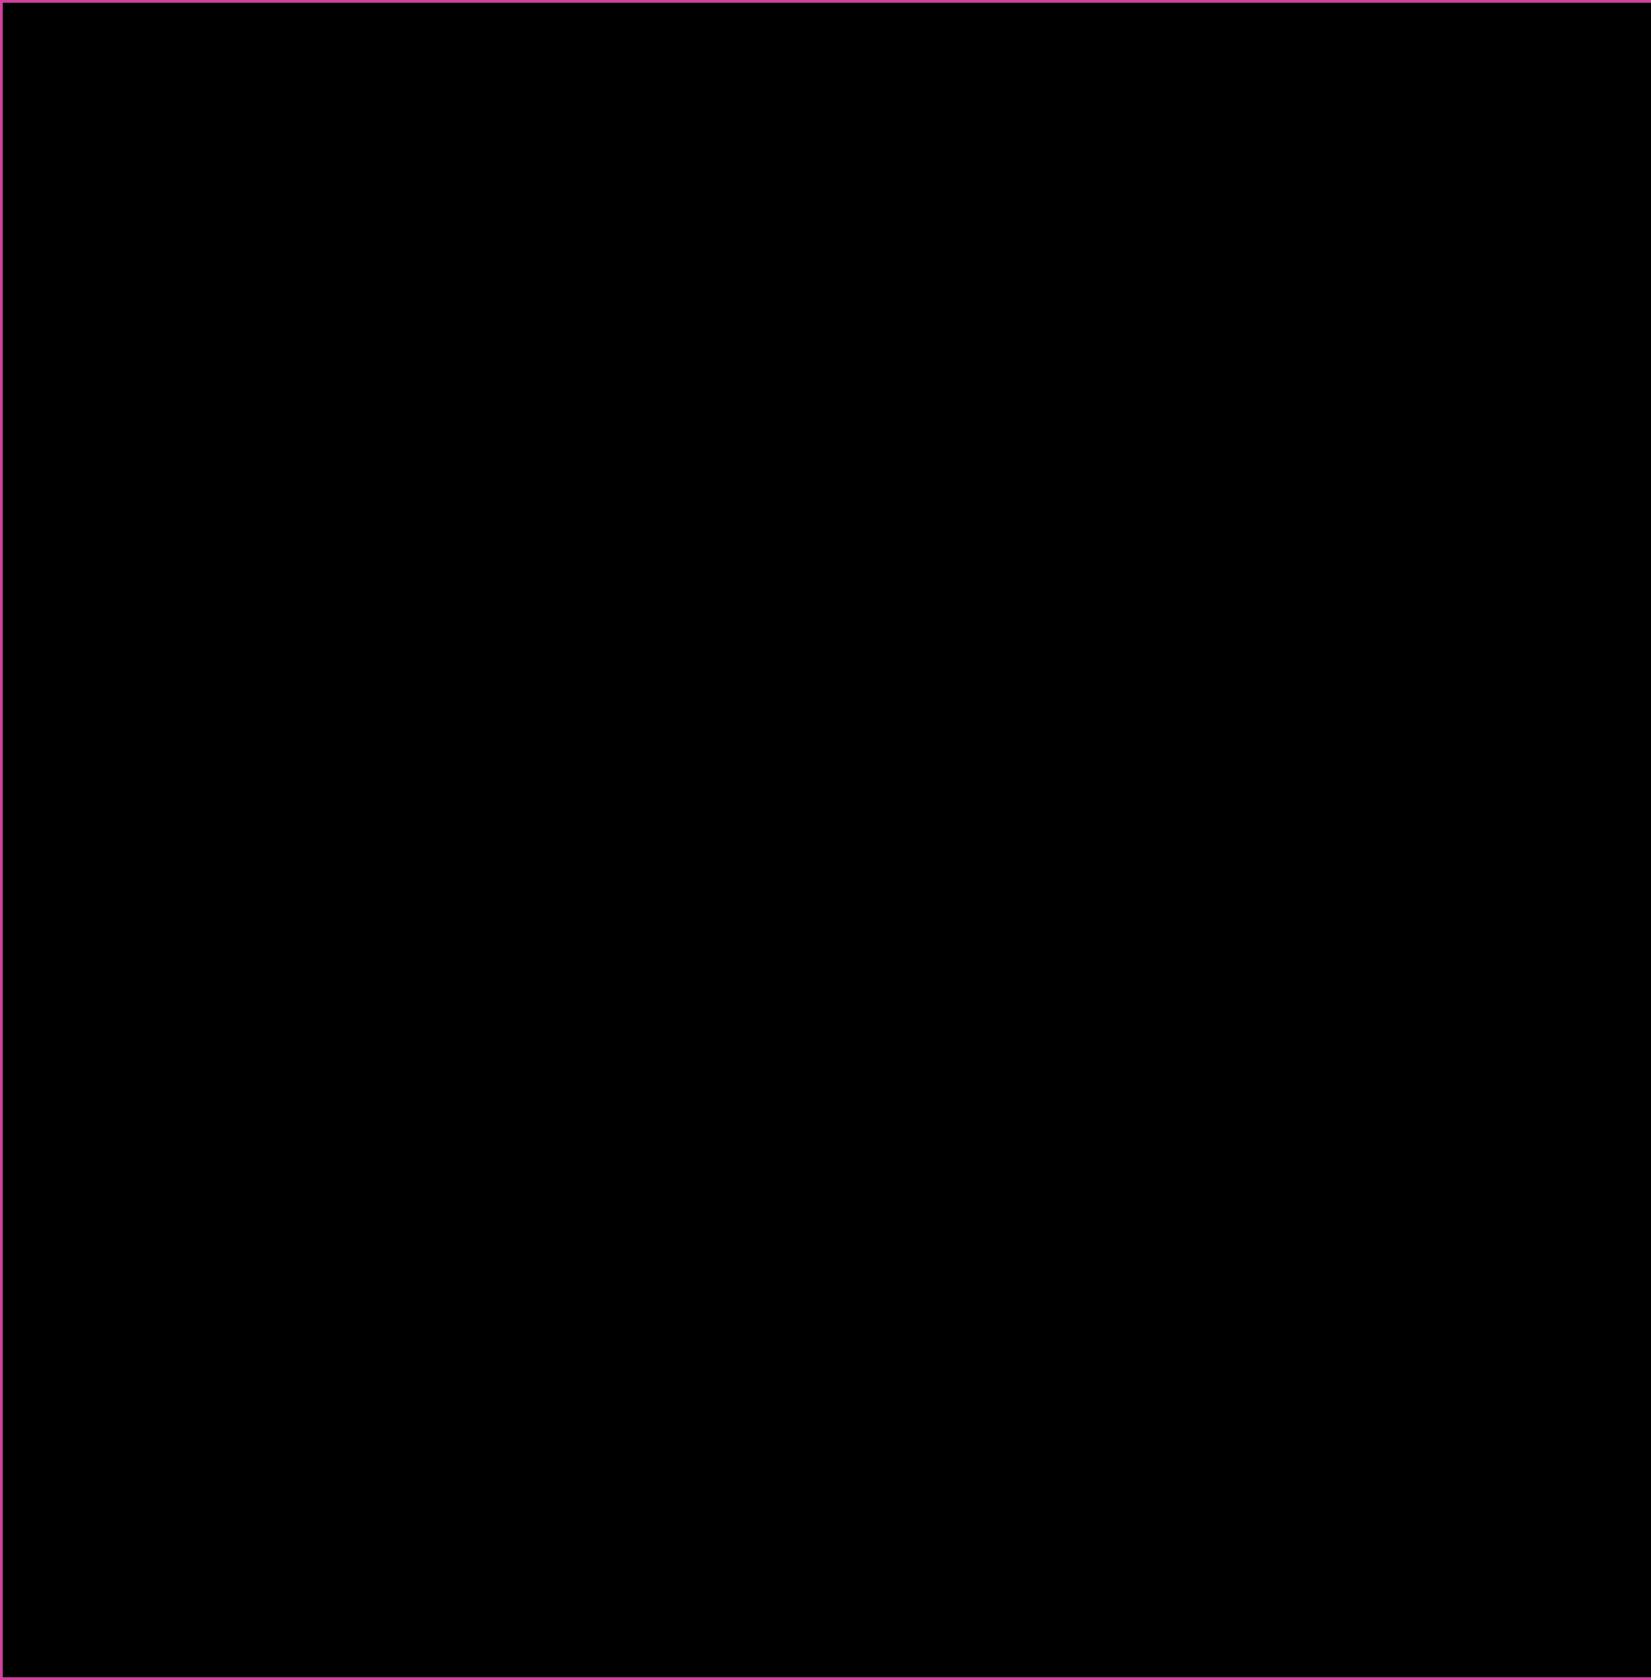

The tagging schema, and all details from experiments with applying tags to specific media objects can be viewed in the MMRL data repository, which is licensed as CC BY SA and can be re-used by others.

Please contact us if curious or willing to contribute.
